Fax (402) 444-5248

Robert G. Stubbe, P.E.
Public Works Director

Welcome to Omaha

Solid waste collection (garbage, recycling and yardwaste) is included as a regular city service at no direct cost to you. Solid waste collection for the newly annexed areas will begin the week of September 8-12, 2014.

Deffenbaugh Industries, the City's collection contractor, will collect solid waste in your area on:

Mondays

Starting Routes at 6AM

A mini issue of the **WASTELINE** publication is included. You can also refer to www.wasteline.org.

If you have service collection problems or questions, please call 402-444-5238. City staff answers from 8AM to 8PM Monday through Friday and 8AM to NOON on Saturday. An answering service will take your call at other times.

Use the green bin provided for recyclables. Additional and replacement recycling bins are available. Call 402-444-5238 or visit www.omaharecycles.com for more information.

For garbage use either clear plastic bags or trash cans (up to 32-gallon in size). Up to 5 bags or cans of garbage are allowed each week.

Yardwaste must be kept separate from garbage. Yardwaste is collected in special paper yardwaste bags or unlined 32-gallon trash cans marked with a **YW** on two sides. We do not limit the amount of yardwaste set out for collection.

Join the e-mail service to be reminded of holiday collections and service delays.
